

ESKC SUPERMOTO TAR CLASS

A tar only supermoto class which will run on the Saturday of race week ends. We will require a minimum number of entry's prior to the meeting to ensure the class has enough support to be run. Bike's must be of road going origin – you must be able to buy the bike direct from a manufacturer as a supermoto i.e. not a converted bike.

Bike must be MOT'd (bring this with you)

Bike must be road taxed (bring this with you)

Bike must have oil in and out wire locked and a catch tank, also peg and bar sliders. It must also meet other basic club rules for supermoto as must the rider's kit. Please ensure you check the noise regulations. Lights must be taped up or removed.

Tyres must be road legal, this includes by type and by tread depth.

Potential bikes for example, KTM LC4, KTM Duke, Yamaha XT-X supermoto, Suzuki DRZ, Aprilia SXV.
